

CITY OF EDGEWATER

**ORDINANCE NO. 2016 - 13
SERIES OF 2016**

AN ORDINANCE AMENDING CHAPTER 16 OF THE EDGEWATER MUNICIPAL CODE, CONCERNING ZONING, BY AMENDING SUBSECTION 16-3-130(D) TO LOWER THE BULK PLANE HEIGHT IN THE R-1 AND R-2 ZONE DISTRICTS; SECTION 16-5-20 TO LOWER MAXIMUM PRINCIPAL BUILDING HEIGHT IN THE R-1 ZONE DISTRICT; SECTION 16-5-70 TO INCREASE LOT COVERAGE ALLOWANCE IN THE R-1 ZONE DISTRICT; SECTION 16-6-20 TO LOWER MAXIMUM PRINCIPAL BUILDING HEIGHT IN THE R-2 ZONE DISTRICT; SECTION 16-6-70 TO INCREASE LOT COVERAGE ALLOWANCE IN THE R-2 ZONE DISTRICT; AND SECTION 16-12-20 TO LOWER THE MAXIMUM BUILDING HEIGHT IN THE C-1 ZONE DISTRICT ON SHERIDAN BOULEVARD SOUTH OF WEST 25TH AVENUE

WHEREAS, pursuant to its home rule authority under Sec. 6 of Article XX of the Colorado Constitution and pursuant to Article 23 of Title 31, C.R.S., the City of Edgewater, Colorado (“City”) possesses the authority to regulate the zoning and use of land within its jurisdiction; and

WHEREAS, pursuant to this authority, the City previously adopted zoning regulations, codified as Chapter 16 of the Edgewater Municipal Code (“Code”); and

WHEREAS, the 2013 Edgewater Comprehensive Plan recommended, among other things, to develop and adopt residential design guidelines or standards to promote the articulated goal of preserving and enhancing the residential character of lower density neighborhoods within the City; and

WHEREAS, as a result, the Edgewater Planning and Zoning Commission (“Commission”) has undertaken a study and review of the City’s existing zoning regulations in lower density residential districts to determine if any amendments are necessary or desirable to better-promote that goal; and

WHEREAS, the Commission recommended to the Edgewater City Council (“Council”) that lowering the maximum building heights and bulk planes in the R-1 and R-2 districts would better-preserve and enhance the residential character of those districts by prohibiting new structures of a large-scale mass that are out of character with existing neighborhoods; and

WHEREAS, to allow more flexibility in the R-1 and R-2 districts to construct dwellings with smaller vertical mass, the Commission further recommended that the maximum permissible lot coverages in those districts be expanded, as further set forth herein; and

WHEREAS, the 2013 Edgewater Comprehensive Plan further recommends that the City explore the possibility of increased height and density in the Water’s Edge

Opportunity Area, to capitalize on the views of Sloan’s Lake and the downtown skyline that are possible in such area; and

WHEREAS, while the Commission has not yet formulated recommendations on the entirety of the Water’s Edge Opportunity Area, the Commission recommended that the maximum building height along Sheridan Boulevard south of 25th Avenue be reduced, in order to preserve the possibility of tiered development to the west of Sheridan Boulevard and other potential development scenarios; and

WHEREAS, the Council finds that existing development on Sheridan Boulevard south of 25th Avenue is under twenty-five feet (25’) in height and, as such, reducing the maximum building height within that area to 25 feet, as recommended by the Commission, is consistent with existing conditions and would not create new non-conforming buildings; and

WHEREAS, the Council finds and determines that the recommendations of the Commission that are reflected in this Ordinance promote the goals and vision of the 2013 Edgewater Comprehensive Plan, as well as the community goals and vision that have evolved over the past 3 years, in such a manner that serves the public health, safety and general welfare.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EDGEWATER THAT:
