## Code Enforcement Reminder

Code Enforcement along with the City of Edgewater just wanted to thank everyone for shoveling their sidewalks these past couple of snow storms. We saw more neighbors helping each other out and the sidewalks were clear for walking and for wheel chairs. Keep up the good work Edgewater.

Something else that has been on the rise lately is abandoned trash in alley's or streets. Per city municipal code section 7-4-20, it is unlawful for any person to, "cause or permit to accumulate any litter, ashes, or trash, or any such material that can be blown away by the wind, anywhere in the City except in a container awaiting pickup and disposal." Please make sure all junk and trash is contained within your trash receptacle.

If you are a victim of an illegal dump, please call 303-235-0500.

For any other questions or concerns, please feel free to reach out your friendly code enforcer
