8	For purposes of the administration of the fees and Cash Deposit under this Section, the City Manager shall, from time to time, determine and create a written schedule of the dollar per hour cost to the City in employing employees or engaging consultants who may provide services to the City in connection with the processing, review, inspection and/or decision-making in connection with an application under Article 30, Chapter 16 of the Edgewater Municipal Code, and shall use such schedule to determine the City's direct and indirect costs of processing applications under Article 30, Chapter 16 of the Edgewater Municipal Code. Such schedule shall add a fifteen percent (15%) administrative cost to the actual cost to the City of each employee or consultant listed therein.	16-30-200
9	If the City incurs costs beyond the amount deposited with the City and the Applicant fails to pay such costs within sixty (60) days after written notice from the City, the City may avail itself of any remedy available at law or in equity to collect such costs. The City may also assess interest on any such amount past due at the rate of eighteen percent (18%) per annum.	16-30-200
